 Engenharia Eletrotécnica - Energia e Automação Industrial
 Engenharia Mecânica e Gestão Industrial
 Finanças Empresariais
 Gestão Turística
 Marketing
 Sistemas e Tecnologias de Informação para as Organizações
 Tecnologias Ambientais

Subjects lectured in English - International Semesters

 Students in mobility (ERASMUS, etc.) can also find in ESTGV a set of subjects in different scientific areas with classes in english language. In order to meet the specific needs of each student, it is possible to build the International Semester. Therefore, choose from the list below the subjects you want to include in the International Semester

In order to apply or to get more information, please contact the [International Relations](#) of Polytechnic Institute of Viseu.

 Para os alunos em mobilidade (ERASMUS, etc.) a ESTGV oferece ainda um conjunto de unidades curriculares, em diferentes áreas científicas, lecionadas em língua inglesa. Para ir ao encontro das necessidades específicas de cada aluno, dá-se a

possibilidade de construir o Semestre Internacional. Deste modo, escolha na lista infra as unidades curriculares que pretende incluir no Semestre Internacional.

Para candidatura e mais informações, contactar as [Relações Externas](#) do Instituto Politécnico de Viseu.

Please notice that the subjects will only be lectured in english if there is a minimum of 10 students enrolled.
